

ROCKHAMPTON STATE HIGH SCHOOL

ASSESSMENT POLICY (YEARS 7 – 12) 2022 v1

Purpose

Rockhampton State High School is committed to an educational philosophy that encourages all students to achieve personal excellence by inspiring growth, positive well-being and quality outcomes for all.

This assessment policy incorporates the roles, responsibilities, processes and procedures used by Rockhampton State High School to ensure academic integrity in relation to the submission of work, the development of assessment and completion of all assessment items (including examinations). It is written in accordance with the Queensland Curriculum and Assessment Authority (QCAA) policies on Academic Integrity and Access Arrangements and Reasonable Adjustments (AARA) contained in the QCE and QCIA Policy and Procedures Handbook v2.0.

This assessment policy is centrally located on the Rockhampton State High School website, the student drive (under Assessment Policy) and the Pedagogical Framework. It will be revisited at the beginning of each semester.

Principles

Rockhampton State High School expectations are grounded in the principles of academic integrity and excellence. This includes assessment.

Assessment can include any examination, assignment, practical demonstration, performance or product that allows students to demonstrate the objectives as described by the syllabus.

Assessment should be:

- aligned with curriculum and pedagogy;
- accessible and equitable for all students;
- evidence-based, using established standards matrixes and instrument specific marking guides (ISMGs) to make defensible and comparable judgements about student learning and achievement;
- transparent, to enhance professional and public confidence in the processes used, the information obtained and the decisions made; and
- informative about where students are in their learning.

High-quality assessment is characterised by three attributes:

- validity, through alignment with what is taught, learnt and assessed
- accessibility, so that each student is given opportunities to demonstrate what they know and can do
- reliability, so that assessment results are consistent, dependable or repeatable.

Students who have reasonable grounds may apply for an AARA to support their completion and submission of assessment. Refer to page 6 for more information.

Student responsibilities

It is the responsibility of the student to:

- meet the required checkpoints and/or draft and final due dates
- arrive on time on the due day for examinations
- show academic integrity (including completion of the QCAA Academic Integrity Course – Yr 11/12)
- authenticate work
- contact the teacher or Head of Department as early as possible for concerns regarding due dates
- contact HOD to submit AARA form (Yr 10-12 to Senior School HOD/Yr 7–9 to Curriculum HOD)
- collect and submit all relevant documentation (eg medical certificate) if an AARA is required

Parent/Guardian responsibilities

It is the responsibility of the parent/guardian to:

- support and encourage their child to complete and submit all drafts and assessment by the due date
- contact the school with any concerns over their child's ability to attend and/or engage in assessment expectations
- inform the appropriate school staff of any difficulties relating to the completion of assessment item and provide documentary evidence where necessary
- ensure that the organising of a family holiday or other events (eg concerts) does not impact on the student's ability to submit assessment on time

Teacher responsibilities

It is the responsibility of the teacher to:

- develop a teaching and learning program that appropriately delivers the current syllabus
- ensure that all assessment tasks are fair, valid and reliable
- teach the process required to complete assignments – where appropriate provide modelling, scaffolding and annotated exemplar responses
- provide students with access to assessment due dates
- apply correct QCAA processes around due dates, drafting, managing response length and authenticating student responses
- ensure authenticity of student responses through strategies such as unique responses, monitoring of task completion in class, plagiarism detection software, collection of drafts, declarations of authenticity and interviews with students after final submission
- set up an e-Learning environment in The Learning Place for Year 11 and 12 students to submit assessment via SafeAssign
- maintain accurate records of student achievement
- store student responses at school and at a location accessible to the relevant HOD
- meet school and external timelines for assessment and reporting
- participate in internal quality assurance processes such as moderation, calibration and cross-marking
- refer to the Assessment Submission flow chart (Appendix A) to determine if there is sufficient evidence
- provide students with timely assessment feedback and guidance related to future improvement – refer to Assignments/Practical Demonstrations/Performances/Products – Drafts on Page 3.
- mark assessment and return results and feedback within two (2) weeks of submission date
- inform students and parents of academic progress, including concerns around attendance, effort, behaviour and non-submission of assessment that may adversely impact on a student's outcome
- inform relevant HOD of concerns about progress towards completion of assessment for follow up
- report incidences of suspected academic misconduct to the relevant curriculum HOD
- document support and improvement strategies that have been discussed with students and parents
- be available for student/parent/teacher conferencing at designated parent-teacher interviews

Head of Department responsibilities

It is the responsibility of the curriculum HOD to:

- monitor the assessment program for each subject
- follow up teacher concerns about student progress towards assessment completion.
- refer students to who refuse to participate in the assessment process to administration
- coordinate moderation of assessment judgements for each subject as per Moderation Policy

ASSIGNMENTS / PRACTICAL DEMONSTRATIONS / PERFORMANCES / PRODUCTS

Drafts

1. A draft is a preliminary version of a student's response to a task. A draft can be used to provide focused feedback on a response and to authenticate student work. Drafts may be used as evidence of student achievement in the case of illness or misadventure or non-submission for other reasons.
2. To support students in completing assignments or practical demonstrations and performances, various checkpoints will be identified on task sheets and students are required to submit a full rough draft for feedback. The draft is to be uploaded to the "SafeAssign" by 2.50pm for students in Year 11 and 12. A hard copy is to be provided to the teacher.
3. Lunchtime detentions should be set for students who do not complete a reasonable amount of work in class during the drafting stage. Parents/carers to be notified. This will be recorded in One School. Refer to relevant HOD if non-compliance continues.
4. Students in Year 11 and 12 who do not submit a full draft will be required to work on the assessment at the Engagement Room (A011) during first lunch (Procedures - Appendix D). HOD to approve detention using Draft Non-compliance Form. (Appendix H) Teachers will notify parents by phone or email as soon as practical if a student fails to submit a full draft using the standard email script (Appendix E). This will be recorded in One School.
4. Feedback on a draft is:
 - provided on a maximum of one draft for students in Year 11 and 12
 - provided to students within one week of the final submission date - all drafts returned on the same day
 - delivered in a consistent manner and format for all students
 - provided in a written or spoken format either to an individual or to the whole class
 - a consultative process that indicates aspects of the response to be improved or further developed but not a marking process
5. Feedback on a draft must not:
 - compromise the authenticity of a student response
 - introduce new ideas, language or research to improve the quality and integrity of the student work
 - edit or correct spelling, grammar, punctuation and calculations
 - allocate a mark

Final copy

1. All assignments must be submitted on or before the due date unless an AARA has been approved.
2. Assignments must be submitted to the teacher, HOD (Head of Department) or general office by 2.50pm on the due date.
3. Assignments must be the work of the student. Assignments must be uploaded to the plagiarism detection software "SafeAssign" by 2.50pm on the due date for students in Year 11 and 12.
4. Where an assignment is not submitted on the due date, rough drafts or other evidence (eg work completed in class on the assessment task), available on the due date will be marked. Only work submitted on or before the due date will be marked.
5. The practice of allocating a lower result, mark or penalty for late submission is not valid.
6. Technology failure does occur, however, this reason for non-submission of assessment is not valid. Students must back their work up in more than one location, eg on H Drive (school network), USB or home computer. Hand written work is acceptable in most subjects.
7. Students who are absent on the due date of an assignment without extenuating circumstances must either email their assignment to their teacher or deliver the assignment to the school office on the due date by 2.50pm.

8. If a student is unable to email or submit their assignment on the due date, the student must apply for an AARA for illness or misadventure and submit the completed assignment and documentation as negotiated with the relevant teacher or Head of Department – by the amended due date.
9. Where there is no assessment evidence for students in Year 11 and 12, the parent/carer must be notified using the standard email script. (Appendix F and G) This will result in the student dropping to Level 4 which may impact on their ability to participate in school extra-curricula events.

Planned absences during assignment due date

If students know of an absence in advance (for example participation in representative sport), they are required hand in the assignment to their teacher prior to the due date.

Managing response length – Year 11 and 12

All assessment instruments indicate the required length of a response as a word count or the duration of time or page count required.

At Rockhampton State High school, teachers will encourage students to respond to assessment instruments within the required length and will provide students with the knowledge and skills to do so. Should a student exceed the required response length, the teacher will mark only the evidence in the student response that meets the assessment conditions for response length, excluding evidence outside the required length. They may also allow a student to redact a response to meet the required length before a judgement is made on the evidence.

Refer to the QCE and QCIA Handbook 2020 v2.0 for elements to be included in or excluded from the word length or page count of a written response

Examinations - Years 7 to 12

Students are required to complete all internal examinations at the scheduled time. Senior students who are involved in external courses or school-based apprenticeships or traineeships need to make alternative arrangements for the external course and attend the exam as scheduled.

Students who do not provide sufficient information on a test to meet the standard for a 'Very Limited Achievement' or "E" will not be rated for that criterion or objective. For students in Years 11 and 12, this may mean that they do not meet the requirements of the course to be awarded QCE credits.

Senior students studying General subjects will also be required to complete an external exam at the end of Year 12. The QCAA will communicate the rules for sitting external exams including processes for illness and misadventure situations and these will be distributed to the relevant students. The examinations will be supervised by both school and community representatives.

Absence on the day of an Internal Examination

The following processes must be followed by students and parents/carers when a student is absent from an examination:

Step 1: Telephone the Student Absence Line on 4920 4360 to advise of non-attendance and seek medical documentation.

Step 2: On the student's return to school, present:

- A note from parents for Years 7 to 9 (detailing the reason the assessment was not submitted) and an AARA application form to the relevant HOD

- A medical certificate or other form of evidence for Years 10 - 12 and an AARA application form to the HOD – Senior Schooling

Step 3: Complete the examination at the time determined by the teacher or HOD. Where possible this should be the first day back at school.

Failure to follow these procedures (or if the student is unable to provide sufficient evidence for the absence) will mean the student will not be rated for the assessment task.

The taking of family holidays does not constitute a valid reason for being absent from an examination. Likewise, absence from an examination due to attendance at a leisure or recreational event (such as a music concert) does not constitute a valid reason for the rescheduling of an examination.

Impact of non-submission of assessment in Years 11 and 12

Unit 1 and 2

The school will report to the QCAA results for students who complete Units 1 and 2 for all Applied, Applied (Essential) and General subjects as Satisfactory (S) or Unsatisfactory (U). Where appropriate, the school will also report a Not Rated (NR). Evidence used to determine each student's result is:

- Authenticated as the student's own work
- Completed on or before the due date
- Drawn from responses to the assessment program (designed for reporting to the QCAA).

Students who do not submit responses to the complete assessment program (designed for reporting to the QCAA) cannot be awarded Satisfactory or Unsatisfactory and must be awarded Not Rated. A standardised letter will be sent to parent/carer. (Appendix F and G)

Unit 3 and 4

Applied subjects – Teachers make a judgement on the exit folio containing *all four (4) instruments* in the school's assessment program using syllabus standards. An E cannot be awarded when there is no evidence for that standard.

Applied (Essential) subjects – Teachers make an on-balance judgment using evidence in the student's exit folio consisting of *all three internal and one Common Internal Assessment task*, matched to the reporting standards. An E cannot be awarded when there is no evidence for that standard.

General subjects – Teachers make judgements about the evidence in *all three internal assessment tasks* using the Instrument Specific Marking Guides (ISMG) to indicate the alignment of work to the performance level descriptors. A mark of zero cannot be allocated if there is no evidence.

Where a student does not submit a final response to an assessment instrument on or before the due date (other than exams), a result should be awarded using evidence collected on or before the due date. Evidence could include rough drafts, work completed in class on the assessment task, rehearsals of spoken tasks, checklists and anecdotal notes on practical performance.

If there is no evidence the student will be awarded a "Not Rated" for the assessment task. A standardised letter will be sent to parent/carer. (Appendix F and G) Students will drop to Level 4 which may impact on their ability to participate in school extra-curricula events.

Managing academic misconduct

Rockhampton State High School promotes academic integrity by developing students' skills and modelling appropriate academic practices. All key stakeholders have responsibilities in ensuring that the Assessment Policy is followed to ensure the academic integrity of assessment items completed. This policy contains whole-school procedures to support this endeavour.

All Year 11 and 12 students will complete the Academic Integrity Course provided by the QCAA to strengthen their understanding of academic integrity.

Rockhampton SHS is committed to supporting students to complete assessment and to submit work that is their own, and minimising opportunities for academic misconduct. There may be a situation when a student inappropriately and falsely demonstrates their learning.

Refer to the QCE and QCIA Handbook v2.0 for examples of academic misconduct along with the procedures for managing them.

Access arrangement and reasonable adjustments (AARA)

Rockhampton SHS is committed to reducing barriers to success for all students. AARA are actions taken by the school to minimise, as much as possible, barriers for a student whose disability, impairment, medical condition or other circumstances may affect their ability to read, respond to or participate in assessment.

The school follows the processes as outlined in the QCE and QCIA Handbook v2.0.

The four broad application categories for AARA eligibility determined by QCAA are cognitive, physical, sensory and social/emotional. Students may also apply for an AARA on the grounds of illness or misadventure.

Access Arrangements

- are available to a student with evidence of a need that is not necessarily covered by the definition of disability, e.g. a temporary injury or needs resulting in inclusive educational strategies
- enable a student to access assessment and demonstrate their knowledge
- do not change assessment conditions.

Reasonable Adjustments

- are available to a student with evidence of a need and who has impairment or medical condition. Without reasonable adjustments, the disability results in a substantial disadvantage for the student when compared to students without impairment
- allow for assessment conditions to be changed due to the barriers that may be experienced by the student with impairment. The integrity of the assessment instrument is not changed
- may be unique and tailored specifically for a student's needs

Ineligibility for an AARA

As per the QCAA QCE and QCIA Policy and Procedures Handbook 2020 v2.0 (section 6.2.1), students are **not** eligible for AARA on the following grounds:

- unfamiliarity with the English language
- teacher absence or other teacher-related difficulties
- matters that the student could have avoided (e.g. misreading an exam timetable and instructions)
- matters of the student's or parent's/carer's own choosing (e.g. family holidays)
- matters that the school could have avoided (e.g. incorrect enrolment in a subject).

Applying for an AARA – Long term disability, impairment or condition

Unit 1 and 2 (Year 11) – disability, impairment or condition (School approved)

The school will make decisions about AARAs for Units 1 and 2 for eligible students. The AARA implemented for Unit 1 and 2 should align to those that are available in Unit 3 and 4. Provision of an AARA in Unit 1 and 2 does not guarantee that students will be provided the same AARA for Unit 3 and 4.

Unit 3 and 4 (Year 12) – disability, impairment or condition (QCAA Approved)

Students completing Units 3 and 4 in Year 12 will need to have all AARA applications approved by the Principal. These applications will be recorded in the QCAA Portal. Please note that final approval for some AARA applications in Units 3 and 4 will be completed by the QCAA. AARA applications in Units 3 and 4 must have the required documentation in order to be processed. There are currency requirements that need to be met for the supporting documentation.

Medical reports and school statements are a mandatory requirement to process any AARA applications for long term disabilities for Units 3 and 4 in senior schooling. Medical reports must be completed by a relevant medical practitioner who is a general practitioner (GP), medical specialist or psychologist and who is not related to the student or employed by the school. For a student with a verified disability as part of the Education Adjustment Program (EAP), the formal notification of EAP may substitute a medical report. Student statements are optional. (QCE and QCIA Handbook v2.0 – Section 6.4.5)

All AARA applications will be recorded on the student's OneSchool profile and stored on the student's school folio in Student Services. The HOSSES is responsible for managing applications for long-term disabilities.

Applying for an AARA - Illness and misadventure

Students whose ability to attend or participate in an assessment is adversely affected by illness or an unexpected event may be eligible for provisions for illness and misadventure. Illness and misadventure can affect a single student or a group of students.

The following principles apply for any AARA applications for illness or misadventure:

- The illness or event is unforeseen and beyond the student's control.
- An adverse effect must be demonstrated.
- The situation cannot be of the student's own choosing or that of their parents/carers, such as a family holiday.
- Schools implement principal-reported AARA when possible, before considering an application for illness and misadventure.
- An illness and misadventure application cannot be made for the same condition or circumstances for which QCAA-approved AARA have been approved, unless it can be demonstrated that a significant deterioration or complication of the condition occurred that diminished the student's performance in external assessment.
- When a group of students is affected by an illness or adverse and unforeseen event leading up to or during the summative internal assessment schedule, or during an external assessment session, the above principles apply. If all other AARA is exhausted, schools should contact the QCAA.

Years 7 to 9 – illness and misadventure - School approved AARA

Students in Years 7 – 9 will need to have their AARA application approved by the curriculum Head of Department. An AARA on the grounds of illness or misadventure needs to be submitted as soon as possible after the temporary illness or unexpected event.

A detailed note from a parent/carer and an AARA application form (Appendix C) needs to be submitted to the curriculum Head of Department. Once approved, an extension or rescheduling of examination can occur.

Years 10 and Unit 1 and 2 (Year 11) – illness and misadventure – School-approved AARA

Students in Years 10 and 11 will need to have their AARA application approved by the Head of Department – Senior Schooling. AARAs on the grounds of illness and misadventure for examinations, assignment work, practical projects and performances need to be submitted and approved as early as possible after the temporary illness or unexpected event using an AARA application form (Appendix B).

Medical claims - A medical certificate from an independent health professional that includes the following information is required:

- Illness, condition or event
- Date of diagnosis, onset or occurrence (must cover the date of the assessment for which the application is made)

Non-medical claims – Written evidence from a relevant and independent professional or other independent third party eg social worker, member of the clergy, police officer, solicitor or funeral director. (next page)

Year 12 (Unit 3 and 4) – illness and adventure - Principal-reported AARA

Students in Year 12 will need to have their AARA application approved by the curriculum Head of Department and the Head of Department – Senior Schooling. This decision is to be reported to the QCAA via the QCAA Portal as a “Principal-reported AARA”. AARAs on the grounds of illness and misadventure for assignment work, practical projects and performances need to be submitted and approved as early as possible. AARAs for on the grounds of illness and misadventure for examinations need to be submitted and approved as soon as possible after the temporary illness or unexpected event.

Medical claims - A medical certificate from an independent health professional that includes the following information is required:

- Illness, condition or event
- Date of diagnosis, onset or occurrence (must cover the date of the assessment for which the application is made)
- Symptoms, treatment or course of action related to the condition or event
- Explanation of the probable effect of the illness or condition on the student's participation in the assessment

Non-medical claims – Written evidence from a relevant and independent professional or other independent third party eg social worker, member of the clergy, police officer, solicitor or funeral director.

- Explanation of the probable effect of the event on the student's participation in the assessment

Timelines and documentations for AARA applications in Units 3 and 4 of Year 12

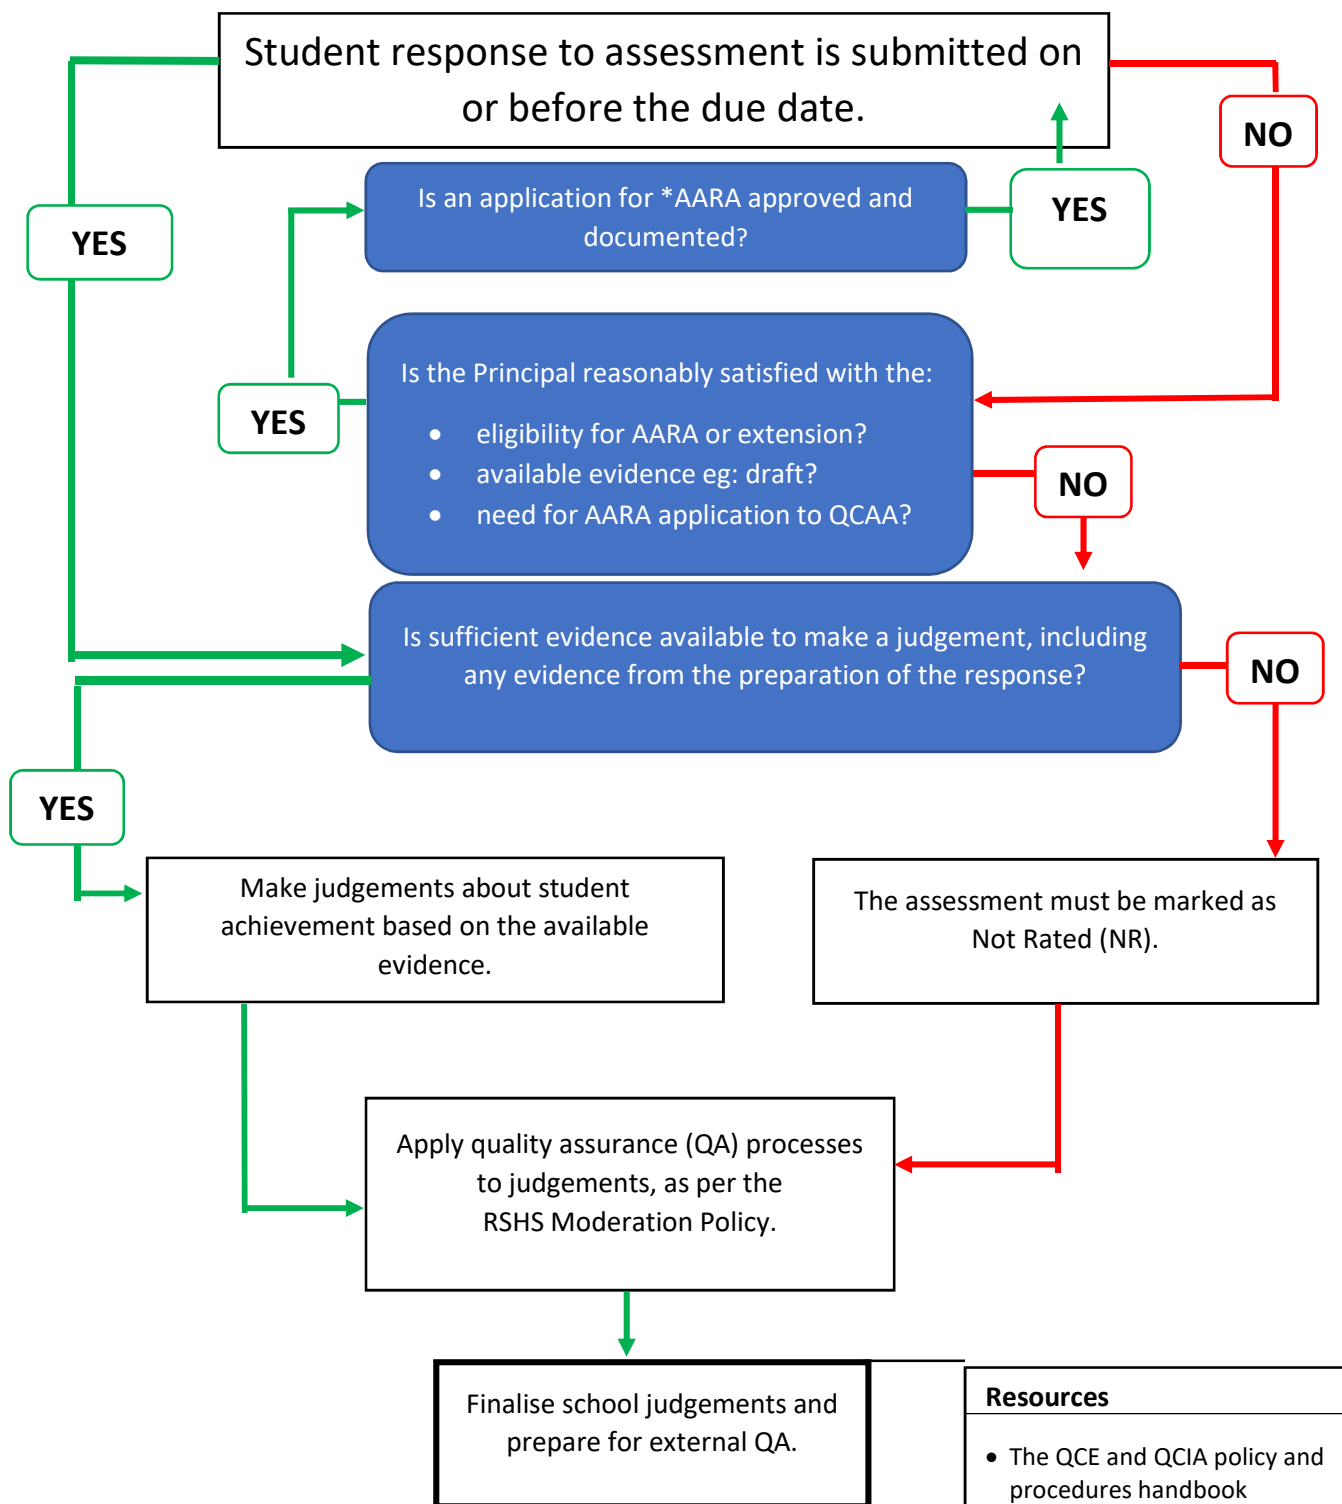

Refer to the QCE and QCIA Handbook v2.0 for requirements.

Year 11 and 12: Absence from examinations due to culturally sensitive activities

Students who are absent due to a cultural and/or family event (eg family funeral) may apply for an AARA to reschedule an exam or practical performance. The AARA should be submitted prior to the cultural/family event. For indigenous students, the Community Education Counsellor (CEC) may provide the teacher with evidence of demonstrated connection to the event. For non-indigenous students, the Guidance Officer or Year Level Coordinator may provide the teacher with evidence of demonstrated connection to the event.

Possible evidence may include: death notice, funeral notice, funeral booklet or similar. The AARA application will be submitted to the HOD – Senior Schooling.

Assignments, projects and folios that are due during the period of absence, need to be submitted prior to the cultural/family activity.

AARA refers to **Access Arrangements and Reasonable Adjustments** provided to students who meet the criteria.

Engagement Room Procedures

Submitting a draft for feedback is an important part of the learning, assessment and feedback process. It is an opportunity for teachers to provide detailed and meaningful feedback on a student's progress and to guide them in areas for further improvement. Students who fail to submit a completed rough draft for teacher feedback will be referred to the Engagement Room by their class teacher – once approved by the relevant HOD. This will provide a consequence for their failure to follow the Assessment Policy and give the student the opportunity to produce work that can be included in their folio.

The following procedures will take place.

Monitoring work completed prior to the due date	<ul style="list-style-type: none"> When a student is not meeting teacher expectations during drafting lessons and/or not meeting checkpoints set by their teacher, a contact is made with their parent/carer via phone or email and a lunch time detention is set as per the Detention Flowchart. This is recorded as a contact in One School. Teachers should also contact parents/carers of students with irregular attendance during the assessment period. If progress is not improved in subsequent lessons, the student is referred to the HOD for follow up. If a student does not submit a full draft on the due date, the teacher seeks approval from the HOD to issue an Engagement Room detention using a Draft Non-compliance Form indicating previous actions taken.
Assigning the detention	<ul style="list-style-type: none"> Once the detention is approved by the HOD, the teacher will assign a lunchtime detention in ID Attend. Open ID Attend - go to "Teacher" – "Assign student to lunch time detention" – Enter student name (or multiple) – select "Engagement" as the type of detention – in "Reason Assigned" enter class code (eg ENE111A), assessment task (eg Short story) and original due date. Tell the student to attend the detention room at the start of the next 'lunch one' in A011. Contact home using the email script as per the Assessment Policy and enter the contact in One School. Students who have absent for the entire drafting process should not be issued an Engagement Room detention. Refer these students to the relevant Line Manager.
During the detention	<ul style="list-style-type: none"> The student is marked as present in the Detention Log in ID Attend and works on the assessment. The draft is included in the student's folio if they fail to submit the final copy on time. In this event, the draft result will contribute to their term level of achievement. If the student produces a draft prior to the detention, they are still required to attend the detention. The can work on other subjects or complete basic literacy and numeracy worksheets.
Failure to attend the detention.	<ul style="list-style-type: none"> The teacher checks the Detention Log and if the student did not complete the detention, they instruct the student to attend next 'lunch one'. If a lesson prior to lunch, the teacher will send/escort the student directly to the Engagement Room.
Failure to attend on subsequent days	<ul style="list-style-type: none"> HOD – Senior Schooling to send a SMS message to parents and record the contact in One School. <i>Your child has not attended a detention for failing to submit a full rough draft of an assessment item by the due date. Please have them explain their non-attendance to their class teacher asap. This is school policy, and DET requires that students engage in their educational program.</i> HOD – Senior Schooling to refer students who refuse to attend a detention to Deputy Principal for further consequences. Deputy Principal and HOD – Senior Schooling to use the Detention Log data during the ROC process.

Year 10 - delete paragraph 4 referring to post-compulsory age students.

Dear Parent/Carer

This email is to inform you that **Name** has not **submitted a full rough draft of an assessment task/met an assessment checkpoint** in **Subject** by the due date and has not provided evidence of extenuating circumstances (eg medical certificate).

As a result, your student is required to complete an Engagement Room detention.

This has occurred despite the publication of the draft due date, adequate class time and the provision of appropriate resources and support to complete the task.

It is a Department of Education requirement that post-compulsory age students be fully engaged in the educational program provided by the school. Education (General Provisions) Act 2006 (Qld)

Please feel free to contact me to discuss any issues or concerns.

Yours sincerely
