

Rockhampton State High School Uniform Policy

Rationale

Under the [Education \(General Provisions\) Act 2006](#), students are expected to comply with the school's dress standards when attending or representing the school.

The positive aspects of a school dress code are:

- School uniforms reflect certain standards about the school
- The image of the school is enhanced when all students are in uniform
- Uniform establishes a sense of pride and belonging as well as purpose and identity among students
- As a Workplace Health and Safety Issue, the wearing of a uniform is essential as a means of identifying students should unwelcome outsiders enter the grounds. Another significant Workplace Health and Safety Issue is the wearing of a hat for protection from the sun.

The principal reserves the right to determine acceptable appearance and to enforce in regards to this. Should parents or caregivers seek exemption due to religious or medical grounds, they are to make an appointment to discuss with the principal.

Purpose

All RSHS students are required to wear correct school uniform. This is for two main reasons:

- Security - promotes a safe environment for learning by enabling ready identification of students and non-students of the school;
- The reputation of Rockhampton State High School is influenced by how students present themselves to the general public. As such any final determination of appropriate dress is at principal's or delegate's discretion. The principal or delegate may direct to remediate as required.

Persistent refusal to comply with the school's dress standards and explicitly stated instructions may result in the student being issued with consequences according to the school's Student Code of Conduct.

Rockhampton High has two uniforms, formal and daywear. The formal and the daywear uniforms are two distinct uniforms. Their components should not be mixed. The formal uniform is mandatory only for the school's captains and prefects at special events, and optional for all other students. Most students require only the daywear uniform.

Formal Uniform
