

## Rockhampton State High School

### STUDENT RESOURCE SCHEME AND ADDITIONAL REQUIREMENTS

### YEAR 9 - 2024

The Student Resource Scheme (SRS) is designed solely to benefit students and parents by substantially reducing the financial burden of purchasing expensive resources. It is a non-profit scheme that provides each participant with textbooks, resource books and materials. Our scheme is fully endorsed by the Rockhampton SHS Parents & Citizens' Association. The P&C Association have set the SRS for 2024 at \$200.00.

Please note that this SRS is a voluntary scheme. Nearly 100% of parents in the past have elected to join due to the convenience and reduced financial commitment.

**If you wish** to participate in the Rockhampton State High School SRS, you need to purchase the items listed in the **To be provided by Parents** column for your student. Rockhampton State High School provides those items listed in the **Textbook & Materials Cost** column.

**If you do not wish** to participate in the Rockhampton State High School SRS, you should advise the Business Manager in writing prior to school commencing on 22 January 2024. You will need to provide the items listed in **both columns** if you do not participate in the SRS.

**Standard stationery: pens (black, blue, red), ruler, eraser, HB pencils. Multiple subject notebooks are not suitable.**
